Welcome

Journey with us from Nice to the Fontvielle Waterfront in Monte Carlo, taking in the clifftops and ocean of the Côte d'Azur, the beautiful blending of the horizon and the sea. The hillsides illuminated by sunshine, the pastel shades of the Mediterranean and the evening air filled with late summer jasmine. A long weekend mixing the medieval backdrop of St-Paul-de-Vence, the glamour of 'The City of Stars' in Nice and the loud luxury of Monaco.

Our sincere wish is for you to relax and enjoy your stay. We have arranged everything for you, including flights, accommodation, travel, and an abundance of delicious food and beverages. Please take a moment to read the key information provided to ensure your time with your Smart Friends is as enjoyable as possible.
